

SMUGGLERS' NOTCH SKI EDUCATION FOUNDATION

Scholarship Information

The Smugglers' Notch Ski Education Foundation (SNSEF) is a 501-c-3 non-profit organization closely associated with the Smugglers' Notch Ski and Snowboard Club (SNSC). It is committed to providing financial assistance for the purpose of instruction, education, and training of young athletes, ages 6-19, in the sport of skiing and snowboarding. The SNSEF and SNSC philosophy is to encourage fun, creative learning; to improve the individual proficiency of athletes regardless of their ability; and to help every athlete meet the goals they have set for themselves. While the SNSEF aims to provide financial assistance where there is a need, it is done so with the understanding that an athlete and/or his or her family should be responsible for some portion of the cost of the program.

SNSEF SCHOLARSHIP CRITERIA

1. Demonstrate financial need.
2. Demonstrate desire to compete and participate to the sport of skiing (or snowboarding). Attitude and commitment to training must be consistent with the philosophy of the Program and its coaching staff.
3. Applicants and Parents must meet all obligations of the Program for which the scholarship is being sought. Exceptions would include special cases in which a sponsor from the Program would represent the applicant if needed.
4. Applicants cannot be children or members of SNSEF.
5. Ages 6-19

Scholarship applicants will be accepted for consideration when we receive the completed scholarship application with the corresponding documentation.

The deadline for applications is Nov.15, of the program year. Scholarship awards recipients will be notified by November 30. Scholarship funds will be designated for program fees exclusively. All applications and rewards will be held in strict confidence. Scholarship recipients must meet volunteer requirements in order to be eligible for scholarship during the next season. Exceptions to the application deadline may be made for special circumstances.

Please return the completed form and documentation to:
